

# Introduction to Lightroom

## Bring out the best in your photos!

This interactive course is for photographers wishing to learn to use Adobe Lightroom to manage their photo collection and edit their images to bring out their best.

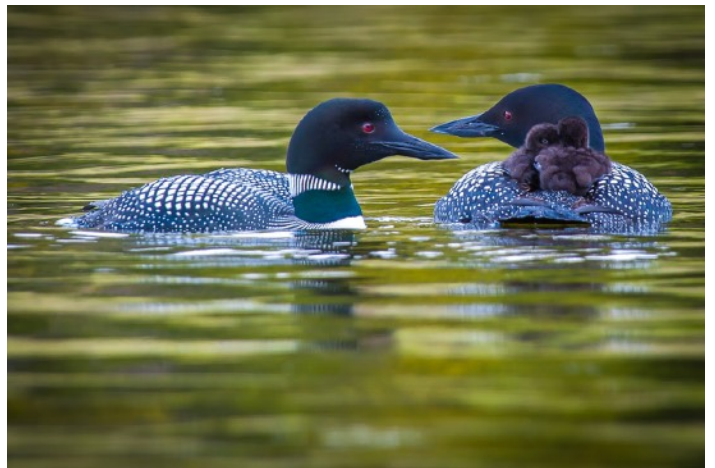

The course is held over two days with a home made gourmet lunch included on each day.

A computer (most bring laptops but some have used desktops) with Lightroom Classic CC or Lightroom 6 (standalone version) is required. *(This course does not deal with the newer, web-based Lightroom CC)*. A complete set of printed notes is included. The class is limited to six students and fills quickly.

Price: **\$249**

Includes two days, two lunches, printed notes, support after class, taxes.
